

Seniors Will
Stage Comedy
October 20

The senior class of Washington Clay will present a 3-act farce comedy entitled "The Baby-Sitter" Friday, October 20, at 8 o'clock p.m. in the school gym. Tickets will be 60c for reserved seats and 35c for bleachers, tax included. The play is under the direction of Miss Hoover and Mr. Olin. The cast of characters is as follows: Bob, who breaks a date—John Neher. Mother, who makes him break it—Phyllis Blair. Father, who agrees with mother—Bob Jimmerman. Junior, a holy terror—Bob Siefert. Jane and Helen, Bob's sisters—Patsy Danielson and Virginia Izdepski. Carrie, Bob's one-and-only—Delores Vexel. Eunice, who tries to take Carrie's place—Dixie Grounds. Carl, Helen's boy friend—Dick Ryan. Priscilla, another holy terror—Evelyn Voss. Midge and Dot, who raid the ice box—Elsie Waggoner and Marilyn Dion. Mr. Gordon and Mrs. Gordon, Junior's parents—Larry Kepler and Shirley Clobridge.

HOME-EC
OFFERED TO BOYS

Our school is offering a home-ec course just for boys. Quite a few boys turned out, in fact, they had to limit the enrollment to 21. I have been told by Mrs. Schultz that they are now studying manners. In time to come they will do a little mending and learn how to sew on buttons. They will also learn how to use the sewing machines. The last semester they will have foods and learn how to cook, which incidentally fellows, is a good bargain—especially for those who have girls who do not know how to cook!

The Junior class will present the Jack O'Lantern Swing on Friday, October 13, 1950 with Chuck White's Orchestra. Dancing will be from 8 p.m. to 11 p.m. Co-chairmen of the dance are Pat Greenwood and Dwain Spencer. The price of tickets are: Advance, single, 60c; couple, 80c. Door, single, 80c; couple, \$1. Tickets can be purchased from the following people: Pat Greenwood, Dwain Spencer, Jerry Miller, Susie Roden, Doris Hicks, Peggy Shoup, George Hess, George Colip, Shirley Nyerges, Donna Sausman, Donna Tooper, Dorothy Johnson.

BAND PLAYS AT FIRST ASSEMBLY

The first senior high assembly was Sept. 18. The program consisted of selections by the senior high school band under the direction of Mr. Swyers. Shirley Pearson and Jackie Riddle sang a vocal duet, "Simple Melody." A quartet consisting of Jack Stone, Theresa Mc-Nerney, Louise Coyle and Shirley Pearson sang, "Good Night Irene." Phyllis Blair and Louise Kleinrichert played a piano duet "Soldiers March." Mr. Eaton gave a talk on sports activities and mentioned that basketball practice starts the first of October. Mr. Harbaugh concluded the assembly by explaining to the new pupils some of the regulations of our school, including the registration of vehicles driven or ridden to school by the pupils.

Retailing instructor: You will be interested to know, class, that in one of our students we have an example of the most common impediments to speech.

Students (chorusing): Who? What?
Instructor: John—chewing gum.

NEW GRADING SYSTEM PUT INTO EFFECT

Our grading system has been changed from a six week period to a nine week period. That means one thing—everyone is going to have to work pretty hard to maintain their average. So have your fun but please don't neglect your studies because at the middle of the period poor work slips will be sent to the parents of students doing unsatisfactory work.

HARTER ONE OF THREE REPRESENTING COUNTY AT LEADERSHIP CAMP

Jo Anna Harter was selected as one of the three students who represented St. Joseph County at the Junior Red Cross Leadership Camp this summer. This was quite an honor to our high school since it was chosen from all of the other high schools in the county to send a delegate.

Jo Anna exchanged ideas with students from New York, Pennsylvania, Virginia, Ohio, Kentucky and Indiana. They learned more about the possibilities of working in programs of service into school curriculum. Service through Blood Program, First Aid, Accident Prevention, Home Nursing, as well as the many services to veterans and destitute children abroad can be worked into school subjects.

It is hoped that through the information and knowledge which Jo Anna gained at the Junior Red Cross Leadership Training Camp, others in our high school will come to know more about how we young people can serve our city and nation—to help meet the ever increasing demands in war time.

Jo Anna, along with Miss Hoover, our Junior Red Cross Leader, also attended a meeting October third at the American Red Cross Chapter house to discuss the summer camp.

CAFETERIA AGAIN UNDER MRS. SCULTHORN'S SUPERVISION

The cafeteria is again under the capable supervision of Mrs. Sculthorn. Mrs. Hudleman has returned to cook delicious and nutritious meals for the students. She has a kitchen staff to assist her in the preparing and serving of lunches. The staff is composed of high school girls who are interested in preparing and serving meals. Each day a hot dish is served plus sandwiches, salads and dessert. A big hand to the cafeteria staff and our cook. Take note also of how nice the school grounds and buildings look thanks to our janitors, Mr. Luther and Mr. Chambers.

Physical Fitness, T.B. X Rays and Skin Tests In Health Program

Mrs. Loretta Franz will be our new county health nurse this year. She will be here every Monday.

There will be a physical fitness program on October 25. All students grades 7 through 12 will have the opportunity to participate.

On October 16 Washington Clay will give X-rays to everyone in Clay Township. They are free and all are urged to get their X-ray NOW!!

Starting October 30 through November 3rd the T. B. skin test will be given to each student wishing to have one. Let's have a hundred per cent on this.

VARSITY AND B-TEAM CHEER LEADER TRYOUTS TO BE HELD

The tryouts for cheerleaders will be held sometime during the week of October 9-13. There are to be two elections. One election will be for varsity cheerleaders who will be chosen from representatives of the entire Senior High. The second election will be for B-team cheerleaders who will be chosen from the remaining candidates from the Freshman and Sophomore classes. Voting will be based on the capability of the candidates and not on the basis of personal feeling or friendship.

ETIQUETTE CLUB HOLDS INITIATION

The Etiquette Club held its formal initiation Wednesday, October 4, from 8-10 p.m. in the school gym. Thirty new members were initiated by the new officers with John Neher presiding. Eighty old members were present. Refreshments were served and dancing was held in the gym for the entertainment of the new members. The new officers are: President, John Neher; Vice-President, Virginia Izdepski; Treasurer, Warren Furnish; Secretary, Janet Lane.

SENIOR DANCE BIG SUCCESS

The Senior class held its 12th Annual Sweater Hop in the school gymnasium September 29, from 8-11. The music was furnished by Al Molenda and his orchestra. Don Lynch was general chairman. Other committee chairmen were as follows: Orch.—Ronald Ritter and Rosemary Lavis. Refreshment—John Neher and Vera Struever. Tickets—Bill Woodhurst and Marilyn Dion. Decoration—Jerry Casper and Myrtill Jackson. Advertisement—Jack Stone, Jeri Wells, Art Hoyl and Dorothy Sebelski. The dance was a great success.

PREPARE FOR THE FUTURE NOW!!!

Now that the 1950-51 school year has started, we can see that it is a very important one for all of us. During these trying times, with the Korean situation hanging over our heads, it is necessary for us to prepare ourselves for whatever may lie ahead.

As everything at the present time has a very uncertain outcome, this is a larger job than we may think, because we really don't know for what we are preparing ourselves. However, security lies in our preparation today for the troubles of tomorrow.

If everyone would do his best to make this school year the best in every way—in scholastics, athletics, and other special activities—it would be in preparation for what is to come, no matter how uncertain.

FROM THE OFFICE OF THE PRINCIPAL

Milton H. Harke

We have completed over one month of school along with over thirty-million students in our American elementary and high schools. We are more crowded in our schools today than at any other time; this also being the case in Clay Township where we now have over 1,750 boys and girls enrolled in our schools.

Although a bit late, I wish to extend a hearty and sincere welcome to all students, especially to those entering our schools for the first time. It is gratifying to be able to say at this time that both students and teachers are apparently off to a good start. It is my earnest desire that this be a good and profitable year for all concerned and that the very fine work accomplished up to this time be continued.

To the parents as well as all school patrons we extend the warm invitation to visit us at any time. You may feel assured that you are more than welcome and are helping us by your visits to better serve our youth by having a closer relationship between parent, teacher, and the school as a whole.

While we in our very crowded school condition are awaiting with anxiety the construction of the new school to relieve the very pressing condition, may I offer a paragraph on the American school taken from a Journal of the National Education Association of several decades ago . . .

'The next time you pass a school, pause a moment to think what that school means to humanity. Recall the long dark centuries when the masses were kept in ignorance—when greed and oppression ruled the world with an iron hand. From the very beginning of man's struggle for knowledge, self-respect, and the recognition of his inalienable rights, the school has been his greatest ally. We refer to the school as "common" because it belongs to us all; it is ourselves working together in the education of our children. But it is a most uncommon institution. It is relatively new. It is democracy's greatest gift to civilization. Throughout the world, among upward struggling peoples, wherever parents share in the aspiration of their children, the American common school is being copied. Let us cherish and improve our schools.'

CONGRATULATIONS TO YOU!

Congratulations to the student body on their co-operation in the Colonial subscription drive. The drive ended with a total of over 400 student subscriptions and 7 mailing orders. Special honors go to Mr. Rogers' home room for having one hundred per cent of the students subscribing and also to all of the home room agents for their fine work. The percentage posters were aptly drawn by Warren Furnish and showed the progress of the drive. If anyone wishes to place an order for having the Colonial mailed they may still do so by bringing fifty cents to room 7.

WELCOME, NEW FACULTY MEMBERS

Coming back to school this year, we see a lot of new faces not only students but teachers too. The new teachers are Mr. Agness, Mr. Dickey, Mr. Stockdale and Mrs. Machette.

Mrs. Machette starting her first teaching year here at Clay resides in South Bend with her husband, who works in South Bend, too. Her husband is a Scout Counselor and last summer they spent in the northern part of the country with a Scout troop.

Mr. Agness taught at North Liberty High School for five years. His home is in Lydick on Route 3 outside South Bend. He and his wife have one son, Jim, who graduated from New Carlisle High School and is now attending Indiana University at Bloomington, Indiana. Mr. Agness has a part-time job at Max Adlers all year and he says this leaves no time for hobbies.

Mr. Dickey taught at Woodrow Wilson for 4 years. Mr. and Mrs. Dickey have two young sons, four years and eighteen months, Phil and Bruce respectively. Their home is in South Bend; their home town is North Manchester, Indiana. During the summer Mr. Dickey paints houses. His favorite hobbies are music and reading. Incidentally he taught music for 10 years.

Mr. Stockdale is beginning his career as a teacher here at Washington Clay. He is unmarried as yet. His home town is Kokomo, Indiana, although he is living in South Bend, now. His hobbies are flying, reading, tennis, golf and fishing. During most of the summer months he spends his time fishing.

Speaking for the student body and the faculty, we, the Colonial Staff, wish to extend a hearty welcome to you new teachers. We enjoy having you and we hope you enjoy being with us.

The 12-year-old offspring of a friend confided that he was burdened with an ever-increasing worry. The kid had been signing his father's name to his report cards ever since the 3rd grade, and last term the teacher wondered why his dad's writing seemed to be improving.--Master Barber.

Meet The New Seniors

Well classmates, it's September 27, and all's well. Among the veterans of the past four years, we see six newcomers. Let's try to find out what makes some of them tick.

We will start out with Miss Kay-Jo Grinager, who has left Riley High School to join us. She is a 5 ft., 3 in., 110 pounds beauty, who likes pumpkin pie and golden fried chicken—mmmm good!! Kay-Jo hales from Minnesota and moved to South Bend at the ripe old age of four years. So come on kids, let's give out with that good old Wash-Clay welcome.

Next on our list we find double trouble, from the mighty school of Woodrow Wilson. Nancy Pool and Nila Sisk, with their smiling faces represent one of the losses that Wilson has suffered. Nancy, all 5 ft., 6 in. of her, from the top of her auburn head to her bobby sox, has a fond liking for hamburgers and French fries. Nila, on the other hand, differs in height, 5 ft., 2 inches, but has the same likings for food. That good old standby food!!! Nevertheless, we all know that they click in everything else.

Ah hah! What have we next? A male specimen. His name is Steve Styers. He is 5 ft. 10 in. tall and weighs 165 pounds. You may think it strange, because I do, but his specialty is peach pie with chocolate ice cream. This young lad came from Niles High School. As we said before and we will say again, hope you make Steve welcome.

Well, I see you are beginning to yawn with boredom, so I'll close my trusty manual and sign off till the next issue, to complete the list of the new mighty seniors.

JANE of the WEEK

By Becky

As we Seniors have reached the top of the high school ladder, we look down, down, down, to the bottom at the Freshmen who are now beginning that long, long, climb.

Looking down I see a "Miss Don Schlundt" type of girl (tall and slender), trying to study her favorite subject, Home Ec. nibbling on a Hamburger and Malt, her favorite munching material.

Once in a while we catch a glimpse of her getting a mirror out and peaking at her blue color eyes, and putting that one strand of Brown hair in place, and then look-- (continued on page 3)

Greetings! All you lovers of music. A lot has happened in the record world during the summer months. Quite a few top songs have been published. First on the Hit Parade is "Mona Lisa." King Cole and Ralph Flanagan have both recorded it. Also up on top we have "Tzena. Tzena, Tzena" and "Goodnight Irene," which incidentally, you can get both done on one record done by Gordon Jenkins.

One of my favorites this summer, and now too, is "No Other Love" done by Jo Stafford. It has been changed from a Chopin etude to a popular song of today. Jo has put out another recent one entitled "Our Very Own."

To name just a few of the up and coming songs we have "Can Anyone Explain?" "Boulevard of Broken Dreams"...Nevertheless... "Dancing Tambourines". Two especially good records are "Tenderly" and "My Silent Love."

Billy Ekstine, the guy with the terrific voice, has recorded some recent hit songs, "My Destiny" "Bewildered" and many others. Mr B. Mimsel is coming to the Palais Royale October 8.

"Music Maestro Please" is a recent song which is really good. It's very melancholy but I still like it. Listen for it.

On the novelty side "Cincinnati Dancing Pig" is really coming up fast. Also "Bonapartes Retreat" by Gene Krupa and "I Thought She was a Local But She was a Fast Express!"

For the football season we have "Mr. Touchdown U. S. A." done by

Hey, girls, have you noticed our newest addition to the Senior class... Johnny Stinson. Ask a silly question, get a silly answer!

What's the matter with Kermit Farrel's hair... Mange or what?

Kay Grinager, don't ruin these poor Junior boy's eyes like that when you walk into first hour Study Hall.

Speaking of eyes... ask Jerry Miller what an optimist is.

Too bad Abraham Lincoln wasn't here to give the girls of the Senior class a portion of his famous speech during election time "United we stand divided we fall!... (All boy officers).

I wonder how all the basketball boys are going to survive without their girls for the next five months?

It looks like a small war is on over "The Great Mr. S." Huh, Vera and Evelyn.

Dorothy Thompson seems to have cast one of her famous spells over Earl Hostetler.

We see that Jay (Aloyius) Guy is trying to meet Gwendaline from Granger.

Doris Dahl, what have you been tellin gthose boys at the Pixie?

Steve Fordrozi is causing quite an uproar among the jr. girls.

Why was Nancy Moony so mad at Jay Guy Saturday nite?? Watch it Jay!

Marilyn Macht sure is in a hurry to get outside at noon. It couldn't be because Bill is out there waiting for her, could it?

Hugo Winterhalter. It is really spirited. Backing it up is another rhythmic one called "The Red We Want Is the Red We Got."

This winds up my platter chatter for the week... So long for now.

JOE of the WEEK

Gee whiz better get some glasses on to see our Joe of the week this time. He is a Freshman but not like our Jane—You see he is sorta on the short side 5'2" inches. One of those many short Freshie boys.

He has red hair, weighs 115, and has brown eyes. (this is really something.)

I asked him what his favorite food was, he kindly said with a smile, T-bone steak.

His favorite teacher is Mr. Gerard and his favorite subject is shop. I wonder why he said that, but I finally came to the decision, Mr. Gerard has a lot of hammers out there in shop that he might throw at him if he didn't say that.

His hobbies are building airplanes and girls (I know him). He has a girlfriend at Granger School, but he has been giving the girls the run around over here. I see he has a big scratch on his face. What happened?????

If you are wondering who on earth this could be, look at our Joe of the Week, Marion Todd.

JANE of the WEEK

(continued from Page 2)

ing at her mouth wishing she could hurry and get those braces off her teeth so her favorite teacher Mr. Eaton would look in her direction more often and at the right times instead of always when she is either throwing a paper wad at one of the boys, or putting a sand burr on the chair set of her girl friend to sit on.

RING!!!! THE BELL, and our "Jane of the week" gathers her belongings and rises to her 5 ft. 11 inches, and goes on to her next class. If as yet some stup can't think of who our Jane is, just listen to the teacher in the next class which our Jane is in and you will hear her say ((as Our Jane bends down to pick up a spit ball sand burr) Isn't "MISS BARBARA STAEK" here today????

Softball Pop Ups

The Washington-Clay Colonials opened the season by defeating New Carlisle with the score of 18 to 0 on the Clay Diamond. Stone and Guy led the attack with three hits apiece. Don Schlundt was the winning pitcher and Jones the loser.

In their second game the Colonials overpowered Greene 6 to 2. This time Guy and Harper led in hitting with 3 and 2 hits respectively. One of Harper's hits was a home run. Schlundt again was the winner with Pudick getting the loss.

The Colonials and Panthers from Madison Twp. clashed Friday September 22, on the latter's diamond with the Colonials eking out a 4 to 2 victory. No one got more than one hit. Don Schlundt pitched his third consecutive victory while Fox was the loser.

Washington-Clay won its fourth straight game by running roughshod over North Liberty to the tune of 14 to 0. Don Schlundt, besides pitching a one hitter, slammed a home run and a triple to drive in five runs. This was his fourth straight triumph. Whitmen took the loss.

Clay Places Second In Cross Country Meet

To this date the cross country team has been putting on a fine showing. The boys are taking a deeper interest in the sport and showing that Washington Clay boys have what it takes.

In the first meet with Central and Washington we placed three men up among the first II with Central finally winning out. We placed second with Washington High third. This meet proved that from this date on Washington Clay will be a threat to any team they meet.

Riley barely edged the Colonials by a slim 8 points. McCoy, Riley's star, crossed the finish line in the time of 10 minutes 2 seconds. Hickey ran a fine race for the Colonials and gained first honors for the Clay team.

Let's get to some of the cross country meets and cheer for our boys.

The scoring for cross country is not as you think, it is just reversed. The first place man gets one point the second place 2 and so on until you have 10 men finished. There may be only five men score for each team and the team ending with the least points wins.

LOST AND FOUND

A man's signet ring has been found; the ring has a mother of pearl set with an emblem and a diamond. On either side of the larger setting there is a small diamond. The mount is 14 carat gold. Inside the band are initials. This ring may be identified and claimed in the office.

It wasn't long after school started that I found myself eating lunch with a very pretty and different type of blouse. It was a white long-sleeved shirt waist cotton touched off with a blue and green plaid collar and cuffs. The stunning person in it was none other than Vera Mae Struever—and who could wear a tailored blouse better?

Velveteen outfits are smart this fall and weskits perked up with long-sleeved blouses are in style again after many years of attic storage. These outfits are found in almost any clothing store in town at budget wise prices so stock up now and be in style.

DATE RATERS

Well, whatta' you know! Fall is just around the corner and that means another year of school again. And, of course, school means more new clothes for everyone.

Starting out right is our member of Robertson's Fashion Board, Leona Berends, who has been seen in quite a few striking "numbers" already. She has a few new wool jersey blouses that are set-off just right with that sparkling "crown" scatter pin on a chain.

Tweed is back again this fall but more in sweaters than any thing else. We can credit Jim Haney for Nancy Gollnick's looking so sweet
