## Annual G.A.A. Spring Banquet

Thursday, May 10, the G.A.A. held their annual Mother and Daughter Banquet at the Y.W.C.A. Residence.

Louise Kleinrichert played the piano during the dinner.

Janet Lane was mistress of ceremonies. The first of the Program consisted of a clarinet solo by Eva Jo Lowe accompanied by Alyce Peterson. Next Virginia Jacobs gave a reading entitled "Casey at the Bat." Then Magdalene Gaedtker sang.

The next part of the program consisted of the class speakers. Patricia Logan was the representative for the freshmen class, she spoke on sportsmanship. Julia Stemen, who was the sophomore class representative, spoke on the highlights of the G.A.A. this last year. Nancy Teeter represented the juniors; she spoke on "What G.A.A. has meant to me."

The guest speaker was Dorothy Twomey, Staff Director of Health Education, Y.W.C.A. Miss Twomey spoke on "Courtesy Carried Over From Sportsmanship."

Janet Lane then presented the volleyball varsity awards. The girls that received these awards were: Peggy Shoup, Dorothy Johnson, Mary Ann Kush, Sharon Kubsch, Shirley Church, Julia Stemen, Nancy Duncan, Anna Reed, Janet Lane, Jean Bonjorno, Pat Kush.

The basketball awards were pre-continued on page 2

## WIN AMERICAN LEGION AWARDS

The eighth grade closed their 1950-51 school year with a program Monday, May 14, in the auditorium. The outstanding feature of the program was the presentation of the American Legion Awards to the most outstanding girl and boy in the eighth grade. The two recipients were chosen by their classmates in a secret ballot. The awards were presented to Nancy Layfield and Daniel Augh by Mr. Vanderbeck.

## SENIOR CLASS DAY

The senior high class day program was held Tuesday afternoon, May 15, in the auditorium. The high light of the program was the reading of the class wills and prophecies of the Seniors, an event that comes each year with the saying of goodbye to the Senior class on "their" day.

Miss Shirley Clobridge was presented with an award from the Daughters of the American Revolution.

The boys quartet dedicated their selections to members of the faculty. Other musical selections included Jack Stone and Louise Kleinrichert singing a duet, a pantomime by Evelyn Voss and Don Lynch, and a saxophone solo by Virginia Izdepski.

The program was concluded by the presentation of the Service Awards by the Etiquette Club to Patsy Danielson and Bill Woodhurst for outstanding service to the school.

## SCHOOL YEAR ENDS MAY 29

Final examinations for all pupils, grades 7 to 11, will be given on May 25. May 28 and 29 will be used for grading papers and making reports. Buses will bring students to their respective schools Tuesday, May 29, between 8:30 and 9:30 a.m. to receive their report cards.

## CORPORATIONS OFFER POSITIONS

To the girls graduating this year, the all-important question is: "Where will I find a job that will offer what I want to do and what I am able to do." To help these girls find a position, a great number of local corporations are calling the school, offering jobs and asking for qualified employees. Among the companies that have already called are Twin City Beauty Supplies, the Dodge Manufacturing Company, the Ridge Company, and Associates Investment Company. Those who are interested in working for these and other companies should contact Mr. Harke or Mr. Harbaugh.

## ETIQUETTE CLUB NEWS

The officers for the school year 1951-52 were elected at a meeting Friday, May 11. The new officers are: Doris Hicks, President; Janet Lane, Vice-President; Theresa Mc-Nerney, Secretary; Adaline Harding, Treasurer; and Sergeants-at-Arms, David Wolfe and Jerry Miller.

EDITORIAL  
 GOOD LUCK, SENIORS

In a few days the seniors will be "people of the world." Next year the present juniors will be seniors, the sophomores will be juniors, etc. The seniors will be scared and green when they're all on their own.

Some day all of us get that coveted title of lofty seniors and until we get there we rather ridicule their actions. But when we come to our last day in school we'll be just as sad a bunch as the ones before us. So here's wishing loads of luck and success to you seniors as you depart into the world!

From the Office of the Principal

Once again we have come to the end of a school year and looking back we certainly are able to agree that it has been a most eventful year. I hope we have made the most of our opportunities and are able to look back at our accomplishments with pleasure and pride.

To the seniors, who are about to leave our school, we bid farewell and wish them all the success possible in their future endeavors. We sincerely hope that your days at Washington-Clay will prove the investment that we intended them to be, that you are better individuals for the education we have tried to give you, and that you will successfully take your place in a very troubled world.

FRUITION

Malcolm Schloss

Today is the day that we fashion tomorrow,  
 For good or for ill, for joy or for sorrow.  
 We shall reap what we sow, be it pleasure or pain,  
 The seeds that we scatter bear fruit once again.  
 The cycle is certain, the season is not,  
 And often the sowing is almost forgot.  
 But sure is the harvest, and joyous the yield,  
 When seedlings of kindness brighten the field.  
 When petals of graciousness cover the ground,  
 And peace is the fruitage the sower has found.

We hope that all students and teachers will have a very enjoyable summer and that your vacation will give you the pleasure and relaxation needed to inspire added zest to future undertakings.

Milton Harke.

Eighth Grade Class Party

The Eighth grade class party, which was held May 9, in the gym, was a great success. There was square and round dancing and other games for entertainment. The prize given for games was won by Janet Hoelcher of the 8-3's.

The refreshments were hot dogs, potato chips and soft drinks. Everyone had a good time and we would like to thank our sponsors, Mr. Agness, Mrs. Mitchell, and Mr. Shearer for keeping us in hand during the party. We would also like to thank those who worked on the committees for helping to plan the party.

I dedicate my column to Seniors—something different, something odd, but when you go walking down the aisle, May 24, at approximately 8:05 p.m. to the strains of "Pomp and Circumstance," a lot of thoughts will go through your mind. "If you are at at "Something Sentimental" you will "Always" "Remember" your "School Days." You will wonder "What'll I Do" "Through the Years" to come? Where will "That Old Gang of Mine" be? Some may end up in "Chicago" or "Kalamazoo" or even "Chinatown." "Time After Time" "Star Dust" will fill your eyes and "These Foolish Things" will make it "Easy to Remember" the "Happiness" you shared while you were in school. You will probably wonder whether there will be "Blue Skies" or "Stormy Weather" ahead—but just remember that "The Best Things In Life Are Free." "Make Believe" "You've Got the World on a String" and you'll be on "The Sunny Side of the Street." "If" you don't "Always" go where you want just "Smile" and say "It's a Lovely Day Tomorrow," and try "Again".

"Night and Day" I will be "Thinking of You" and looking forward to the times when "I'll Be Seeing You" "Once In Awhile."

"Always" "Look For the Silver Lining" and I'm sure you'll come "Smiling Through."

"Till Then"--

"My Best To You"

"After Graduation Days."

"Good-bye, Sue"

walks by. Some very smart camera bugs. And so ends our last column! From here on in, we wish the kids, whoever they are, who take over our column, lots of luck, and practice ducking when the issues come out.

Bye Now.

**JANE of the WEEK**

by becky

As I look in the study hall, I spy our Jane of the Week. She has brown hair, brown eyes, (and oh how they twinkle) and stands about 5 ft. 5 in. She is a sophomore and her favorite teacher is Miss Burt. The other day when I asked her what her favorite dish was, she just laughed and said "Cake and dill pickles." Basketball and baseball are her favorite sports. She has worked on the Colonial Staff for two years. I suppose you all know who our Jane of the Week is. You say you don't? I guess we had them fooled, didn't we Virginia Jacobs?

We leave you with this thought. Women and money are both alike.

If you don't keep them both busy they lose interest!

TEACHER OF THE WEEK

by Jake

As I was walking down the hall the other day, I glanced through the door or room 18 and there sat our teacher of the week explaining fungus growth. She is 5 ft. 6 in. tall and her weight is a secret. She has brown hair and hazel eyes. Her favorite sport is tennis, and her favorite food is T-bone steak and french fries. Her hometown is Terre Haute, Indiana. What? You don't know who she is? We fooled them this week, didn't we Miss Burt?

GOODBYE MISS BURT AND MR. OLIN

We the students of Washington-Clay, say goodbye and the best of luck in your future positions, Miss Burt and Mr. Olin. We would like to thank you for your splendid co-operation and the sincere help that you have given us during your teaching careers at Washington Clay.

Washington Clay has two entrants in the Regional track meet May 19 as a result of two second places won in the Sectional by Don Lynch and Jack Stoe. Don came in second in the 880, breathing down the neck of Andy Graham of Central who made a new half mile record of 2:01.7. Jack chased Jim Coleman of Central home to a ten second flat mark in the 100 yd dash, which tied a record. Jack also placed fourth in the broad jump; first place was won by Mishawaka with a leap of 21 feet, 73/8 inches.

The half mile relay team, Jack Stone, George Colip, Leo Tam, and Ledger Krupp, followed Central in for second place; the time on this sprint was 1:35.7.

Good luck and God speed, Don Lynch and Jack Stone, in the Regional track meet.
