## City Defends Safety Title

Safety Check 1967, will commence May 1 when a voluntary Safety Fair Check Lane Program will begin. The following schools will be in our district: Adams, Clay, and St. Joe. Other schools participating are Riley, Jackson, St. Mary's Academy, Washington and LaSalle.

Clay's check lanes--four at the corner of Ind. 23 and Twyckenham, will be manned by students from Mr. Fulhart's Mechanics classes. These students will be upperclassmen and will be on duty from 9 A.M. to 5 P.M., three days a week. A qualified mechanic from a South Bend new car dealer will be on hand to help. Boys working on the check lanes will re-

port to Sgt. Ray Peirson on the days assigned and must have an excused pass from Mr. Harbaugh.

Funds will be given to the schools for promotional materials; poster, paint, etc. Prize money amounting to \$1,050 will be given. Categories for winning are; interior display, exterior display and general publicity. Three hundred and fifty dollars will be awarded in each category. Lanes will be judged over a two week period, the week before and the week during the operation of the lanes. May 15 thru May 19 will be Clay's time for the operational judging.

## News Briefs

After voting last Friday morning, the Senior Class has elected to give as a class gift to the school a painting. Other choices included a ham radio and books for the library.

# THINK . . . VOTE

Next week you will have the privilege of voting for student council officers. Student Council isn't an elite club operating on their own axis with no one to account to but themselves. THEY ARE REPRESENTATIVES OF YOU.

Now is the time to evaluate the qualifications of the students running for the offices for next year. Before you enter the gym Wednesday to hear the platforms of each candidate, make it your business to know everything possible about him, even a small detail like his attendance record at after school student council meetings. Listen to what he says, but remember, promises are cheap. Ask questions of the candidate. As a voter you have a right to know what he has done for the council and for the school. Past performances are good indications of how the candidate will follow through in the future.

## Treason: Giving Aid and Comfort

by Jesse Neely

Persons who are telling young Americans not to fight in Viet Nam are giving aid and comfort to our enemies in Hanoi and Peking. They sit back comfortably in the U. S. denouncing all bloodshed taking place in Viet Nam, but by their actions they are sabotaging American soldiers who are doing the fighting.

Anti-war protest in the United States has encouraged the Communists to keep up their efforts to take over South Viet Nam. The longer the Reds keep up this effort, the higher the death toll for the U. S.

One of the most precious gifts enjoyed by us Americans is freedom. But freedom can be carried to a ridiculous and dangerous extreme.

In New England last week demonstrators against the war in Viet Nam surrounded one American flag with many North Viet Nameese flags. What would happen to a group of young radicals in North Viet Nam if they took one North Viet Nameese flag and surrounded it with American flags?

In North Viet Nam, anyone daring to speak out against Hanoi's war effort or refusing to participate would immediately be imprisoned or executed.

Why can't we Americans stand united and finish the war? Our forefathers worked together and they got results.

## Spacemobile Visits Clay

What is a satellite? How does it get into orbit? What keeps it in orbit?

These and other aspects of the National

Aeronautics and Space Administration (N.A.S.A.) will be explained at an assembly when a Spacemobile visits Clay High on May 8.

A Spacemobile is a vehicle, especially designed to carry equipment and materials utilized in space and science lecture-demonstrations.

The lecturer will demonstrate basic scientific principles by using visual aids and experiments. Simple experiments will be performed, describing and illustrating solid and liquid types of rocket fuels.

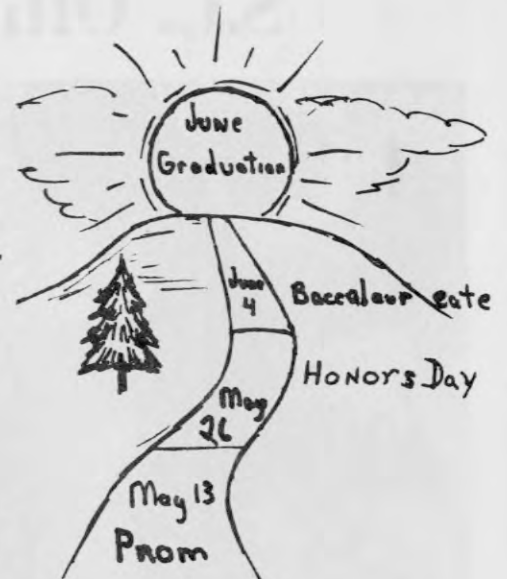

The program is frequently broadcast on educational and commercial television and has been used in adult education for social, civic, professional and industrial organizations.

Due to an error on the part of the Colonial, it was announced last week that Tom Leonakis was the Boy's State representative. Dave May is to represent Clay at the annual conference.

Dave has played football for three years. This year he was named Lineman of the Year and made the second string All-Area team.

He is an active member of Glee Club, Swing Choir, Hi-Y, and German Club, and this year Dave became a member of the National Honor Society.

Robert Wyllie is to serve as his alternate.

## Summer Courses Offer Variety

Adams, Riley, and Washington are the high schools offering summer school programs for 1967.

Half units as well as full credit courses may be taken at this summer session. They are scheduled to begin June 12 and last for eight weeks, until August 4.

Final registration will be held here on June 9. The fees are \$4.50.

One unit consists of 240 minutes a day for the entire session whereas a half unit comprises 120 minutes a day.

The half unit courses offered are personal typing, communicative arts, reading and language improvement, and French.

Solid or make-up courses may be taken, as usual. Also there are advanced classes in Art and Fields of English.

Summer school music will be offered at Clay, provided there is sufficient demand. Registration is on June 13 and the session lasts from June 12 to the 21st. Fees are \$6. Drivers Education will also be offered here in four sessions. Two groups will meet each day for 2 weeks. Classroom study will also be included.

## 53 FORD

Once there was a ford of '53,  
It looked very sick to me.  
It's owner was always braggin',  
But he was scared to do any draggin',  
It was only a 221 inch,  
And dyno-don thought it was a cinch.  
Out on the strip when the light turned green,  
You could see that flathead machine,  
Beat Donnie to the green.  
He did a wheelstand,  
for a fan.  
Then pushed in the clutch,  
And give Don a hunch.  
Don lifted a wheel and started to go,  
He gave the fans a big show.  
Everyone thought poor flathead poor.....  
Then he put his foot on the floor,  
And Byno Don there was no more.  
The heat from his exhaust'  
Melted Donnie's fibergloss.

# Swing Choir Booked Solid

During the last two years Clay's newly organized Swing Choir has given 35 to 40 performances.

The next performances will include a Field Trip to Rolling Prarie High School, May 9, where the Swing Choir will present an assembly program for the students. Three other schools may be included in this tour.

Other performances scheduled for the Swing Choir are the Daughters of Isabella Mother-Daughter Banquet at the Knights of Columbus Hall May 1.

The Swing Choir will return to the same hall, May 2, to perform for approximately 500 students and adults attending the South Bend Community School Corporation Co-op Banquet.

On May 13, the Choir perform for the Schoolmen's Wives Mother-Daughter Banquet at the Y.M.C.A.

The Clay High School Orchertra, Band and Glee Clubs will combine for the Spring Festival on May 19.

At the end of May, the Glee Club will make their annual trip to Westville and present a variety show for the patients.

## SENIOR SPOTLIGHT:

### JOE KODBA

The name of the guy: Joe Kodba. The name of the game: Never a dull moment. Joe is almost always in a good mood. He's an outgoing person . . . personal, and indiscriminate in choosing associates.

Why all the bliss? Obviously Joe enjoys life. His interests are varied.

He's participated in football for 3 years at Clay; in basketball for 4 years; and in track for 4 years. About sports he said, "I'm very proud to play for and to represent Clay High School in the sports I've participated in, but I don't think the general majority of boys at Clay feel the same pride. Until they do, Clay will never be the power it could be."

In his spare time Joe likes to date girls, to go to dances to skate, eat pizza and work on his 1930 Model Ford.

It might be noted that his Model A is a very unusual piece of machinery. Its shape, and its black and yellow colors might strike you as a cross between a bumble-bee and an old-time gangster's car.

While attending Drake University next year on a grant-in-aid for football, Joe plans to take up pre-med. He wants to be a pediatrician. He commented, "I love kids, and I have a desire to help people."

## BASH THE BERRIES!

Tomorrow the Colonials journey to Logansport for a doubleheader with the Berries, a team that finished first in the North Central Conference.

Wednesday they meet New Carlisle in a twin-night double header at Bendix starting at 5:00 P.M. Last year, Clay swept a twin-bill from the Tigers 13-3 and 3-2.

A rematch with St. Joe is scheduled for Friday at Bendix. Game time is 7:30 P.M. Earlier this year the Indians routed the Colonials 17-2.

Shortstop Charlie Clark provided most of the offensive punch during the first part of the season. After eight games, Clark was hitting a hefty .407 with a team leading 11 hits in 27 times at bat.

Jim Campbell, the Colonial catcher, was right behind with a .391 average coming on 9 hits in 23 times at bat. Second baseman Gary King, hitting .310 was the only other Colonial hitting over .300.

In the slugging department, Clark was the leader with 17 total bases including 4 doubles and a triple. Bill Brooks was the runs batted in leader with 10 although his batting average was only .217.

Brooks was leading

Tim Fick rounds first base on a single against Brandywine. Clay won 5-3.

the pitchers in strikeouts with 50 in 20 2/3 innings. Neely had the best earned run average, 0.00 in 11 2/3 innings of work. Mike Borkowski had the best record with a perfect 2-0 ledger.

## Marian Next; Bailey, Carter Pace Win

Coach Huston's outlook for the track team's next few meets is optimistic.

Coach Huston has no doubts about the Marian meet. He said, "We'll beat Marion."

He was uncertain about the upcoming Penn Relays, however. He said that this is his first visit to the Penn Relays since he's been a track coach.

So far this year Bruce Carter is the leading scorer with 37 1/2 points, followed closely by Tom Pacala with 36 1/4 points.

Clay's trackmen scored their first victory over New Carlisle in three years (87-31) on April 25.

Doug Bailey set a new school record in the two-mile event. His time of 10:32.3 shaved

three-tenths of a second off his old record.

Carter took a double win, placing first the 100 and 220 yard dashes.

Riley defeated the Colonials 78-40 April 28. Ken Wisniewski won the mile for Clay and Ron Sanders the pole vault. Ron is trying to break his own record, set again this year for the first time since the early fifties.
